RISK MANAGEMENT

as it should **BE**

Risk-In

with Katja Rieger and Hans Læssøe

Let's talk about strategic Risk Managing

It's about managing Risks and Opportunities!

Push and ask questions

Get to know your Company

World will never be slower than today

- find supportive CEO
- give examples
- outline planned process

CHANGE is FAST !!!

Invitation

Half DAY WORKSHOP

1 Choose

2 Describe Scenarios

take it to extremes

4 different words

3 Decide on every issue

Do I think it going to happen?

prepare	Act
Park	Adapt

Outcome

1 Defined Strategies

2 Embed Risk Management in decision making

3 Use Monte Carlo Simulation as a tool

Make executives Heroes!

Help your Company to take risks and see Opportunities

Add VALUE to YOUR PROCESS

probability: YES or NO (find indicator that it is going to happen)

LOOK at Uncertainties

put range variations

Have fun!
